From: Hope Church Leadership

Date: February 27, 2015

Subject: Community Connectors Grant

Ms. Spears,

Hope United Methodist Church is excited about partnering with Boys and Girls Club of Dayton in its efforts to support the students at Wogaman Elementary School through special programs and mentorship.

The opportunity to serve community children in an educational, faith-based approach with the following tasks is something Hope Church is very enthused about:

- Mentoring students who attend Wogaman Elementary School
- Volunteering at special events such as BGCD's National Day for Kids
- Inviting students and their families to worship at Hope and participate in special events like Trunk or Treat

Sincerely,

Jason Bunger, Pastor
Hope Church

John Ward, Chair
Hope Church Board
