SCIOTO YOUTH CONNECTIONS

Support Documentation from Local Business Groups

Community Action Organization of Scioto County, Inc., in collaboration with several other local partners, is proposing the development of the Scioto Youth Connections program in an effort to make the following services available to area 7th through 12th grade students:

Individual Mentoring
Group Mentoring
Peer-to-Peer Mentoring
Worksite Mentoring
Tutoring
College and Career Readiness Activities
Internships and Paid Work Experience

As indicated by the signature below, the following groups will support the Scioto Youth Connections program by:

- Expanding the Future Leaders program to include 7th – 12th grade level youth attending a Scioto County school.
- Assisting in identifying, recruiting and training appropriate mentors for individual, group, peer-to-peer and worksite mentoring activities
- Encouraging worksite access to conduct group mentoring & career exploration activities
- Assisting in the arrangement of on-site access for student participants to attend worksite mentoring activities, up to 4 hours per calendar quarter
