Oversight

Ryan Smith
State Representative

February 23, 2015

To Whom It May Concern:

Please accept this correspondence in support of grant applications that would enable Jackson City Schools, Wellston City Schools, Gallia County Schools and Gallipolis City Schools to receive Community Connectors grant funding.

This program would provide students in Jackson and Gallia County valuable life skills and equip them with mentors that could play an invaluable role in their lives. The five core principles of the mentoring program will give students important tools that they will need to succeed in life.

Aside from mentorship, this program would also connect students to community resources that would strengthen the area. This grant is not only beneficial to those immediately participating in the program, but also to the people of Southern Ohio.

Thank you for your assistance and support in this matter. If you have any additional questions please feel free to contact my office.

Sincerely,

Ryan Smith
State Representative
