Dear Community Partners,

We are submitting the Community Connector grant request from Gallia-Meigs Counties in southeastern Ohio. We have experienced a wonderful collaborative effort to reach this point of submittal and are already excited about the relationships formed and the teamwork displayed by our team representatives from non-profits, faith partners, businesses, and schools. Attachments enclosed follow the grant application guidance as closely as possible:

- Grant Narrative
- Proposed Budget
- IRS proof on Non-Profit
- Signed Partnership Agreement
- Completed Roles and Responsibilities
- Program Logic Model
- Budget Form and Justification
- Signed Grant Assurances
- Letters of Support

We are blessed and excited as partners who care deeply about our communities about being able to reach out to young people. We believe this grant will enable us to score a preventive strike against the substance abuse and hopelessness culture in our rural communities. Thank you for the opportunity to partner with the state of Ohio in this most important effort. I am submitting this grant request as the representative for the Field of Hope Community Campus, dba Field of Hope, the lead organization for the Community Connector Grant. I am thankful for a dedicated team of folks who put this package together and who have gone above and

beyond to garner a large amount of community support already. We are looking forward to seeing the project to completion.
