KENT STATE
UNIVERSITY
COLUMBIANA COUNTY
EAST LIVERPOOL · SALEM

November 12, 2015

The Columbiana County Consortium of Schools and Kent State University, Salem and East Liverpool Campuses, have entered into a partnership agreement to support the STEM career programs for the Columbiana County School Consortium. Kent campuses will provide: Teams of Health Science faculty will serve on an expanded HS-HE committee to work with MS and HS faculty to develop career pathways for MS-16; similar committees for Horticulture, Insurance careers available on the Salem Campus; offer College Credit Plus to students at the junior and senior levels in which students will have the opportunity to complete a two year associate degree. Kent will support the middle and high schools grades 7-10 by providing guest speakers to raise student interest and awareness in the STEM careers and site visits for tours at the college's new Health and Science wing labs. Kent, along with other grant partners, will provide opportunities for school site Health Science, and Technology/Coding careers academies at school sites. Kent's Rural Scholars will support the grades 7-10 focus through their in school and summer programs for aspirations and PBL. A Kent representative will serve as a member of the *Good for Some, Great for All* Grant Advisory Board.

Thank you for your support!

The Columbiana County Consortium of Schools and Youngstown State University STEM College have entered into a partnership agreement to support the STEM grant engineering program for Columbiana County School Districts. Supports provided by the STEM College include working with other partners for professional Career Days in the middle and high schools; providing guest speakers to raise student interest and awareness in the many STEM careers, site visits for tours at the college, and College Credit Plus course offerings. A YSU STEM College representative will serve as a member of the Good for Some, Great for All Grant Advisory Board.

Thank you for your support!

Title INTERIM DEAN, COLLEGE OF STEM, YSU

STRAIGHT A FUND

DESCRIPTION OF NATURE OF PARTNERSHIP

A partnership is an association between a grant applicant and educational stakeholders) in which the stakeholder agrees to provide human and material assets or access to academic and administrative resources to the grant applicant to develop or execute a Straight A Fund grant application. However, in a partnership, only the grant applicant is responsible for ensuring the grant is developed and executed according to the terms of the grant agreement with the Straight A Program Governing Board. Grant applicant partners are responsible only to the extent provided in their Partnership Agreement with the grant applicant.

In order to ensure the effective implementation of the Straight A Fund throughout the state, applicants are encouraged to partner with education stakeholders. Each applicant must identify its partners and attach a description of each respective partner's roles and responsibilities.

Each member of the partnership is responsible for the following assurances

1. Be knowledgeable about the applicant's Straight A Fund grant proposal and application, including advocacy of the Straight A Fund program for career fields.

2. Maintain familiarity with the partner's services to enhance the proposal, including specific goals and practices with representation on the advisory board.

3. Demonstrate a commitment to clear roles and responsibilities of each partner as it relates to the grant proposal and application, specifically career exploration resources including: career speakers; on site visits; job shadowing; and possible internships.

4. Sustain consistent communication among partners and stakeholders with a shared vision of the goals of the grant proposal. This includes participating in regularly scheduled meetings for project management and identifying areas for improvement, with partner representative membership on the advisory board.

5. Ensure partners have appropriate access to data for purposes of grant program improvement and evaluation in accordance with state and federal law.

6. Develop a clear project management plan to sustain the project over time.
