To Community Connectors Grant Representative;

Please accept the following attachments on behalf of the House of Emmanuel, Inc. located in Holland, Ohio 43528. The House of Emmanuel is a non profit organization that was founded in 1994 to provide mentoring and residential treatment services to at risk youth in Northwest Ohio. Since our inception we have led our community in innovative mentoring and in school support programs, successfully working with youth for more than 20 years. Our services include in school mentoring and crisis intervention, an intensive individual mentoring program that provides 24 hour access to crisis management staff, a youth in transition program focused on removing barriers to a child's independence and residential treatment services. Upon your review, I ask that you contact us directly if you have any questions or need additional comments.
