Thank you for the opportunity to apply for the Community Connectors Grant. This is an exciting time for us all. The partnerships that have been created and the program to be delivered will truly have an impact on children and youth in Fairfield County. We have gathered school districts, faith based organizations, local non-profit organizations, Juvenile Court, and the River Valley Mall to connect students to role models to motivate and inspire long term success in school and in the workplace. We are ready to implement this program if awarded. Please feel free to call me or any of our community partners if you have questions. Thanks again to the Ohio Department of Education and the Governor's office.

Respectfully,
Sherry
