

SCIOTO YOUTH CONNECTIONS

Support Documentation from Local School Districts

Community Action Organization of Scioto County, Inc., in collaboration with several other local partners, is proposing the development of the Scioto Youth Connections program in an effort to make the following services available to area 7th through 12th grade students:

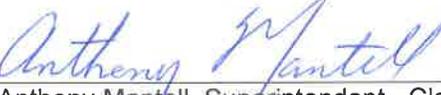

- Individual Mentoring
- Group Mentoring
- Peer-to-Peer Mentoring
- Worksite Mentoring
- Tutoring
- College and Career Readiness Activities
- Internships and Paid Work Experience

As indicated by the signature below, the following local school districts will support the Scioto Youth Connections program by:

- Assisting in identifying and recruiting students who would benefit from participation in the program
- Allowing school access (during and after) to conduct group mentoring & career exploration activities
- Allowing student participants to attend worksite mentoring activities during school hours, up to 4 hours per calendar quarter
