To the members of the selection committee,

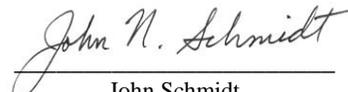

The Summit County Council was pleased to learn about both the Community Connectors grants and the iCARE mentoring program being planned for greater Akron. Individually, each of these organizations has already had a positive impact on life in our county. They are certain to be even stronger and more effective when working as a team.

We look forward to hearing about the group's progress as their iCARE program grows and prospers. Thank you for considering them for a 2015-18 Community Connectors grant.

Sincerely,

Ilene Shapiro
