To Whom It May Concern:

Re: Community Connector Grant Program

I am writing this letter to express Crosspointe Church of Christ's support for the Community-Building Institute's Plan to develop a comprehensive mentoring collaborative in the Middletown City School District by utilizing the Community Connector Grant Program. Crosspointe Church of Christ will support their efforts by:

- Embracing this project and be the catalyst to encourage others in our faith community to participate as mentors and volunteers.
- Using our positive relationship with the surrounding school districts to encourage the creation of mentor opportunities like this in other communities.

We feel that having a Mentoring Collaborative in Middletown that comes along students to support and empower them be successful is a critically needed resource.

Respectfully,
