Karen Ayers/Coventry Schools Foundation:

CropKing Inc is very excited to be a part of a project that encompasses teaching our youth about where our food comes from, and educating them on the sustainable ways in which we can grow food to feed the burgeoning population while at the same time supporting the Lockwood Church Food Pantry. We are grateful to the Coventry Foundation, Coventry Schools, Club HOPE, and the Lockwood Church Food Pantry for allowing us to be a part of shaping this next generation of farmers.
