Re: Community Connectors Grant

Dear Pastor Tom:

With this letter, I express my full support for your request of the Community Connectors Grant. Your organization has already been actively mentoring in the locals schools for the last five years. If approved for the requested grant, it is my understanding that this would allow Current Family, Inc. to expand your existing mentoring program to include the purchase of materials that will allow you to better assist our local schools, hire additional mentors, as well as a full-time director.

When coming together as a community, we are at our best. I support your efforts for obtaining this grant and doing everything within your power to better the community around you. Please let me know if I can help you in any way. I can be reached at (740) 387-3591.

Sincerely,
