Re: Community Connectors Grant

To Whom It May Concern:

On behalf of the Marion Area Chamber of Commerce, I'm pleased to provide this letter of support for one of our Chamber members, CURRENT FAMILY, Inc. as they submit a grant request for Community Connectors.

I have had the opportunity to work with their CEO, Tom Toney, on several community projects. Tom also serves as the facilitator for the Chamber's Leadership Marion program. In literally every situation that I have observed the programming and activities of CURRENT FAMILY, a very positive impact has been made. The team at CURRENT FAMILY inspires hope, leads with courage, changes lives and exudes a level of enthusiasm that is simply contagious.

I feel confident they will bring faith-based success to the newly developed Community Connectors programming.

Sincerely,

Pamela S. Hall
President
