Dear Taxpayer:

This is in response to your Nov. 12, 2009, request for information regarding your tax-exempt status.

Our records indicate that your organization was recognized as exempt under section 501(c)(03) of the Internal Revenue Code in a determination letter issued in September 1995.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Beginning with the organization's sixth taxable year and all succeeding years, it must meet one of the public support tests under section 170(b)(1)(A)(vi) or section 509(a)(2) as reported on Schedule A of the Form 990. If your organization does not meet the public support test for two consecutive years, it is required to file Form 990-PF, Return of Private Foundation, for the second tax year that the organization failed to meet the support test and will be reclassified as a private foundation.

If you have any questions, please call us at the telephone number shown in the heading of this letter.
