**RE: COMMUNITY CONNECTOR GRANT  
LETTER OF SUPPORT**

To Whom It May Concern:

Please let this serve as an unconditional letter of support for the awarding of a multi-county Community Connector Grant to our local applicants to help mentor and guide our youth.

As the Meigs County Commissioners it is our desire to see our youth be brought up in a county that encourages them to be better citizens and productive members of society. Without the proper mentoring and guidance it makes this almost impossible. The core principals of the Community Connector Grant of teaching youth to set goals, build character, and develop positive thinking and decision skills are the building blocks of every child. Our area has nothing that can fill this extremely dire need.

Our counties and agencies work extremely well together and if awarded this grant they will be able to impact many lives. The Meigs County Board of Commissioners will do all we can to help our youth and assistance with this grant.

Randy Smith, President

Respectfully,

Tim Ihle, Vice President
