**Community Connector Grant Support Letter**

To Whom it may concern,

I am writing this letter of support for the multiple-county Community Connector Grant. I am the Vice President of the Meigs County Prayer Task Force, which is a Christian, non-profit organization that provides free help and resources to people caught in drug addiction. We also work directly with local schools and students helping them make better life choices.

My wife and I are local business owners who volunteer as Dean and co-Dean during the summer camp at Ohio Valley Christian Assembly in Pomeroy, Ohio. As leaders, we see the value and the impact of mentoring children. More than ever our children need positive Christian Role Models in their lives.

We believe the Community Connector Grant will provide us with some of the necessary tools we need to change lives in our community. We have willing and good-hearted volunteers that are actively working together in our counties. Help us make a difference.

Sincerely ,

John Jay Proffitt
