KATHY L. ROBBINS
*Director of Curriculum
& Learning*

February 25, 2015

To Whom It May Concern:

It is our pleasure to submit this letter in support of the Community Connectors grant being submitted to the Ohio Department of Education by First Step Family Violence Intervention Services, Coshocton County.

First Step continues to partner with our district, as well as other districts within our county, to serve students and their families within and outside of the educational setting. First Step offers help to families, both adults and children, through support groups, helplines, case management, education, programs, and more. The Community Connectors grant supports our work in preparing our students for college and careers, complementing our Straight A initiative. Our community struggles with issues related to poverty, and we believe that this is an opportunity to strengthen our community through supporting the overall well-being of our students and families.

We fully support First Step Family Violence Intervention Services and their efforts toward securing funding to continue their excellent work and anticipate great results from our shared commitments. We believe that by working together and sharing services, we can develop pathways to achievement that will lead to a better tomorrow for all.

Thank you for allowing us the opportunity to endorse the work of First Step Family Violence Intervention Services in Coshocton County.

Sincerely,

Kathy Carter-Robbins
Director of Curriculum and Learning

Dr. Dave Hire
Superintendent

Mission Statement

Coshocton City Schools, in partnership with family and community, will empower individuals to become literate, respectful, responsible, and independent life long learners in an ever-changing society.
