To Whom It May Concern:

I am writing this letter to offer the support of Coshocton County Job and Family Services for the Community Connectors Grant mentoring program that is being sponsored by First Step Family Violence Prevention Services.

We will assist in providing in-kind services for the span of the grant and beyond, if needed. The services provided will include but not be limited to, one to three, half-hour sessions, for a maximum of 1.5 hours a month, once or twice in the school year.

We believe our support will help First Step reinforce the Community Connector's principles of setting goals to be prepared for 21<sup>st</sup> Century careers, building character, developing pathways to achievement, building resiliency, and believing in a positive future.

If you need further information, please do not hesitate to contact me at (740) 295-7521 or [mindy.fehrman@jfs.ohio.gov](mailto:mindy.fehrman@jfs.ohio.gov). Thank you for considering the grant application from First Step!

Sincerely,

Mindy Fehrman
