RE: COMMUNITY CONNECTORS GRANT – FIRST STEP FAMILY VIOLENCE PREVENTION SERVICES

To Whom It May Concern:

The Coshocton County Juvenile Court is writing this letter to offer our support for the Community Connectors Grant - Mentoring Program that is being sponsored by First Step Family Violence Prevention Services. As a supporting agency, we will assist in providing support services for the span of the grant and beyond if needed. The services provided include staff support and assistance in the monitoring of sessions on a limited basis throughout the school year. We believe our support will help the program in reinforcing the Community Connector's principles of setting goals to be prepared for 21st century careers, building character, developing pathways to achievement, building resiliency, and believing in a positive future.

Please do not hesitate to contact me at the Court should you have additional questions regarding our support for this most important community program.

Sincerely,

A handwritten signature in black ink, appearing to read "V. Blanchard II".
