

**Resources**

*What resources will be needed to conduct this program?*

The Gardens of Grace offers contextual learning.  
Computer Lab  
Science Lab  
People with Bi-Cultural Experiences  
PBE does factory tours, supplies products for competitive tear down and marketing analysis

**Program Activities**

*What will we do with the resources?*

**Build Effective Vocabulary**

Enrichment Opportunities  
Build Competency Models  
Close Digital Divide  
Make Science "Come Alive"  
Get Families to Value Education  
Teach/Show Workforce Readiness  
--Soft Skills  
--Executive Skills  
Instill Middle Class Values  
Grow Life Long Learners

**Outputs**

*Briefly describe the number of students engaged and the number of adults involved.*

Each year Grace will train eight (8) Group Mentors who will lead teams of 8 students on two four hour shifts twice per month students=256 students  
Promedica provides 30-50 employees per year as online "Pen Pals".  
Each month Pen Pals will discuss a "word" via case study in collaboration with the Partners

**Outcomes**

*What are the short or intermediate term results that will be achieved?*

1. Setting goals to be prepared for 21<sup>st</sup> century careers
2. Building character
3. Developing pathways to achievement
4. Building resiliency
5. Believing in a positive future

**Goal**

*What are the long term results that will be achieved?*

Strengthen communities, encourage mentoring opportunities, and create new pathways for civic engagement that will result in higher educational achievement, higher levels of well-being, and health and workforce readiness for our state.
