February 25, 2015

Mr. Nathan McCain
Toledo Grace Presbyterian Church
1171 Oakwood Ave.
Toledo, OH 43607

Dear Mr. McCain:

It is my pleasure to write a letter in support of the proposal submitted by Toledo Grace Presbyterian Church to the Community Connectors grant program through the Ohio Department of Education.

I believe that this proposal will provide select students in Toledo Public Schools with valuable mentorship opportunities and open many doors for them throughout the community. The collaboration of Toledo Grace Presbyterian Church with Principle Business Enterprises and presence in the community will ensure Toledo Public Schools students have exposure to positive role models who can support them holistically.

In conclusion, I fully support the efforts of Mr. McCain and Toledo Grace Presbyterian Church as they seek external funding to support a program designed to help our youth set long and short term goals aligned to 21st century careers, build character and resiliency, and belief in a positive future.

Sincerely,

A handwritten signature in black ink that reads 'James Gault'. The signature is written in a cursive style with a long, sweeping underline that extends to the right.

James Gault
