

## Memorandum of Understanding

4th March 2015

This agreement is between the Institute of Youth Development and Excellence (IYDE) and Planned Parenthood Southwest Ohio Region. Having determined that the goals of IYDE to empower and improve the life skills and decision making of the youth through mentorship is in line with the mission of Planned Parenthood Southwest Ohio Region education department. The two organizations have agreed to work together to expand IYDE's project through the Community Connectors grant so that they can train their mentors to teach all relevant matters dealing with sex communication to the youth. This partnership is important in relation to the Community Connectors RFP released by Governor John R. Kasich to build mentorship programs in schools across Ohio. IYDE wishes to have the best trained mentors to deal with sex communication in the state of Ohio with the expertise of Planned Parenthood Southwest Ohio Region.

The following are the activities that the two parties have agreed:

- Planned Parenthood Southwest Ohio Region will provide a training-of-trainers 1 day, seven hour training to IYDE staff about how to effectively communicate to youth about issues surrounding sexual health
- Planned Parenthood Southwest Ohio Region will share their expertise through technical support that includes two half an hour phone calls.
- Planned Parenthood Southwest Ohio Region will conduct youth trainings for youth lasting 4 hours per school twice in a year with in the second and third year of the grant

The working relationship between IYDE and the Planned Parenthood Southwest Ohio Region will begin when the Community Connectors grant has been awarded or if IYDE decides to move forward with an alternative funding source. Both organizations will keep a transparent relationship with one another and commit to highest standards of professional practice in their shared and independent operations to maintain pride in their working relationship.
