Development Block Grant Program
City of Toledo, Ohio

Dear Block Grant Program Reviewer:

This letter serves as recognition of Metroparks of the Toledo Area partnership with Kids Unlimited, Inc.

For the last two years, we have had the opportunity to provide the children of Kids Unlimited, a variety of programming activities within Metroparks throughout each year.

Some of the activities we collaborate on include providing nature education (nature walks, insect study, hands-on lessons, pond study and Ohio animals), outdoor skills opportunities (archery, canoeing, river wading, fishing) and cultural and historical programming (arts and crafts and digital photography).

We are honored to be able to continue this partnership to assist them in their mission of providing children in under-served areas, the opportunities to reach their fullest potential.

We look forward to a long and successful collaboration.

Sincerely,
Metroparks of the Toledo Area

Denise K. Johnson, Director
Marketing and Development
