To whom it may concern,

This letter serves as recognition of our partnership with Kids Unlimited, Inc. We are happy to assist them in their mission of providing children in under-served areas opportunities to reach their fullest potential.

Some of the activities or events that we work with Kids Unlimited, Inc. include the following:

Providing a weekend food basket for the children in this program to take home with them on weekends.

Providing food for an annual Kids Unlimited picnic which includes parents, children and staff.

Helping fill any shortfall of food Kids Unlimited may have during the school year.

Yours sincerely

Naveed Ahmed
