Teacher Comments*

GENERAL SUMMARIZED COMMENTS

- *Nice job*
- *Well done and I have no suggestions.*
- *Excellent program!*
- *Students got a lot out of the program and really enjoyed it.*
- *There is a lot of material to cover in a 45 minute period.*
- *The instructor did a great job and really gets the students thinking about themselves and how they can pay it forward.*
- *Students were all involved in the lessons*
- *This program gave students a forum that they normally might not have to discuss issues.*
- *Great presentation of values and principles.*
- *There needs to be a follow up to the 10 week program possibly in the form of a long term assignment.*
- *This program gives students the opportunity to reflect on their values , beliefs, and choices prior to entering High School.*
- *The instructor made great connections with the students and did an excellent job.*
