

Program Name: _____

Resources

What resources will be needed to conduct this program?

- Usage of two classrooms and a gymnasium, plus storage for Scholastic Book Library sets about building youth character during difficult situations
- Transportation from the school to home in a safe economical method
- School rental space
- Computer technology for mentor/mentee relations. Each mentee and their mentor will have their own personal access

Program Activities

What will we do with the resources?

- We will provide students with small group exploration sessions in which they can read to and along with their mentor; work on homework, practice new social skills, learn their personal emotional triggers and how to manage them without negative outbursts
- Provide students and occasionally personal members of their community, to county sporting events, museums, career colleges and industry activities

Outputs

Briefly describe the number of students engaged and the number of adults involved.

- 30, 5th and 6th grade students will have an opportunity to receive one-on-one, and small group mentoring sessions. 12-35 mentoring adults will assist in providing quality services
- 30 5th and 6th grade students plus 12-35 mentoring adults

Outcomes

What are the short or intermediate term results that will be achieved?

1. Setting goals to be prepared for 21st century careers
2. Building character
3. Developing pathways to achievement
4. Building resiliency
5. Believing in a positive future

Goal

What are the long term results that will be achieved?

Strengthen communities, encourage mentoring opportunities, and create new pathways for civic engagement that will result in higher educational achievement, higher levels of well-being, and health and workforce readiness for our state.
