**Expansion During Initial Year**

The customer may expand the FileWave system through the purchase of additional items. The purchase price will be the same as the initial cost per item.

**Support Agreement**

Support is mandatory for all customers and is provided for an annual fee. The initial support period covers 12 months for Enterprise and Education Edition and 24 months for the Education Initiative Edition. The support agreement will be renewed and invoiced automatically each year unless one of either parties cancels the agreement at least sixty (60) days prior to the expiration date. FileWave's support program includes updates and support via phone, email, and access to the FileWave Alliance. Upgrades include future versions of FileWave but exclude additional components and/or separate products (e.g. additional administrator if added). It is at FileWave's discretion to charge fees for upgrades.

**Payment Terms**

All invoices are due 30 days after receipt of the invoice.

Please note that we cannot distribute software and licenses to you without a signed support agreement. Thank you for your cooperation regarding this matter.
