Partner's Signatures:

1. Develop a clear project management plan to sustain the project over time.
2. Encourage participation with education stakeholders. Each applicant must identify his partners and match a description of each partner's role and responsibilities.
3. Each partner of the partnership is responsible for the following assurances:

   - Of each partner's role and responsibilities.
   - Of each partnership agreement with the grant applicant.
   - To provide the Partnership Agreement with the grant applicant.
   - To provide a clear project management plan to sustain the project over time.
   - To develop or acquire a strategic plan.

Description of Nature of Partnership:

Partnership Objectives

1. Description of the project, including the goals and expected outcomes.
2. Match of the grant proposal with the program's objectives.
3. Relevance of the applicant's previous work.
4. Demonstration of a commitment to clear roles and responsibilities of each partner.
5. Identification of the project's management and evaluation plan.
6. Plan for progress improvement and evolution.

Each member of the partnership is responsible for the following activities:

- Provide the required information and resources.
- Ensure project milestones are met.
- Submit required reports.

Each applicant must identify his partners and attach a description of their respective roles and responsibilities.

A partnership is an association between a grant applicant and educational institutions that provide human and natural resources to enhance the project and demonstrate the feasibility of the project's goals.
