Product Information

Overview

Logitech's Bluetooth Easy-Switch Keyboard features sharp, bright illumination that automatically adjusts to any light. Along with its brushed aluminum finish and minimalist size, it offers Logitech easy switching Bluetooth technology. At the touch of a button, you can quickly change between typing a document on your Mac or writing an email on your iPad or replying to a text on your iPhone. And to recharge, simply plug in the USB cable and recharge even while you work. The unique Logitech key design means you'll enjoy comfortable, whisper-quiet typing hour after hour.

Highlights

- One touch easy-switch Bluetooth buttons let you toggle back and forth from typing on your Mac, iPad, or iPhone
- Reliable 30 feet (10 meters) wireless connection to your compatible Bluetooth-enabled devices
- Bright, sharp backlit characters that are easy read in low light or even in the dark
- Auto-adjusting illumination dims or brightens to the optimal level based on amount of light in the room
- Built-in proximity detection turns illumination on when your hands approach the keyboard
- Real aluminum finish and low-profile keys: ultra-thin, minimalist size
- Unique Logitech keycap design for comfortable, whisper-quiet typing hour after hour
- Roomy keyboard with full-size keys for easier typing
- USB cable for recharging even when you're typing
- A full charge provides a minimum of 10 days and maximum of one year battery power
- On/Off switch on the right side panel helps you conserve power when the keyboard is not in use
- Battery indicator light turns red when you need to power up and green when the keyboard is charging

Did you notice?	A full charge provides a minimum of 10 days and maximum of one year battery power, depending on the intensity of illumination and time spent typing.
Apple Recommends For	Use one super-comfortable keyboard to toggle back and forth between your Bluetooth-enabled devices—Mac, iPad, or iPhone.
What's in the Box?	Logitech Bluetooth Easy-Switch Keyboard USB charging cable User documentation
