## Product Information

### Overview

#### Designed for portability

The built-in handle makes for easy carrying to different locations where iPad or other iOS devices are stored. Sync and charge anywhere, anytime.

#### Sync up to 16 iPad devices at once

Using iTunes on your MacBook, you can sync up to 16 iPad and iOS devices simultaneously with all your selected apps, books, movies, podcasts, and music.

#### Free up time, people and infrastructure

Charge 16 iPad and iOS devices in one place and at the same time—and at the full 2.1 amp rate.

#### Built to last

Designed to go the distance, the solid steel outer shell protects the intelligent electronics inside.

#### Easy setup

Installation is a breeze. Simply plug the Sync Charge Box (iQ 16 SCB Sync Station) into a power socket and you are ready to start charging. Connect it to your MacBook and start syncing through iTunes.

### Highlights

Hand-held portability

Sync 16 iPad and iOS devices simultaneously

Charge 16 iPad and iOS devices in the same time it takes to charge one\*

- Compact size for use in any space
- Compatible with iTunes
- Designed for use with a MacBook
- Easy plug and play operation

**Did you notice?** Link multiple Sync Charge Box—iQ 16 SCB Sync Stations together using a USB hub to increase the number of iPad devices you can sync and charge.

**Apple Recommends For** Saves time and resources by simultaneously syncing and charging multiple iPad devices with a 2.1 amp current.
