Package Deal- Lumina Flip-Top Seminar Table & Training Chairs by Balt

As Low As **\$486.95**

Manufacturer's Price ~~\$1,041.00~~

Save 53%

Save when you order this seminar table and training chair package deal! Packages include one table and two mobile chairs. Lumina Flip-Top Folding Tables by Balt are excellent for conference or training room use and can instantly turn any working department into a conference room. These light-weight tables have ample space for taking down notes and for holding laptops. Flip-top feature optimizes the storage space when tables are not in use. Lumina tables are available in two sizes and the powder coated frames feature 3" casters for easy transportation.

The Circulation Task Chair marries style and comfort in a unique, modern training chair. The injection-molded polypropylene contoured seat and back provides back support and ventilation. Seat height is adjustable and is ideal for school computer rooms, training facilities, labs or office use.

Other Features

Tables Features (One included):

- The 1" thick tops in Cherry finish
- Top flips back with a simple lever mechanism, allowing the tables to be nested for storage
- Radius edge feature for extra comfort
- Grommet holes for routing and networking the cables
- Four 3" casters for mobility, 2 locking
- Limited lifetime warranty

Chairs Features (Two included):

- Injection-molded polypropylene contoured seat and back
- Ventilation holes allowing body to breathe
- Seat has 16° slope to provide natural support
- Adjustable height of 17" to 20"H
- 5-star base with 2" casters
- Black seat and back color only
- Easy assembly
