Register your NEC Projector and upgrade your warranty to 5 years. Plus 3 years of InstaCare - Expires 12/31/2013 [click here for details.](#)

4500-lumen Entry-Level Professional Installation Projector

Brighten up your presentations with the NEC P451X, an entry-level professional installation projector loaded with eco-friendly technologies. Ideal for corporate boardrooms, higher education classrooms and government training rooms, this model delivers (4500 lumens) and features built-in wall color correction, wired and optional wireless networking, closed captioning and up to ECO Mode). The P451X touts an active lens cover, which hides content, mutes audio and lowers lamp brightness to 25%, all effectiveness of your presentations.

- Dual HDMI inputs (with HDCP) ensures quick switching between presentations
- 4000:1 Contrast Ratio creating extremely detailed images
- Four audio inputs make it easy to add sound to enhance every presentation
- Powerful 16W speakers provide volume needed for large rooms
- Built in cornerstone correction including Pincushion and Barrel correction
- 6000-hour filter drastically reduces cleaning frequency, thereby decreasing the total cost of ownership
- Variable audio-out allows the remote control to adjust speaker volume
- Vertical lens shift enables flexible projector placement
- IEU Lite (Image Express Utility Lite) for audio and video transmission from a computer to the projector over the network
