Each member of the partnership is responsible for the following assurances:

- 1. Be knowledgeable about the applicant's Straight A Fund grant proposal and application, including advocacy of the Straight A Fund program.

Project title: Reading for the 21st Century: Literacy Beyond the Third Grade Guarantee

IQ Innovations provides a statewide platform free of charge to all Ohio school districts through iLearnOhio. iLearnOhio is a comprehensive e-learning platform funded by the Ohio General Assembly to ensure that Ohio students have access to high-quality online courses. This statewide platform includes a searchable repository of standards-aligned educational content (courses and digital resources), an e-commerce marketplace, and a learning management system (LMS) to facilitate the delivery of course content from multiple providers to various end users. iLearnOhio is administered by the Ohio Resource Center, located at the College of Education and Human Ecology at The Ohio State University, and is under the direction of the Ohio Board of Regents.

The iLearnOhio platform will be used to deliver the digital content purchased through the awarded funds. The role of IQ Innovations is to act as the contractor between districts and vendors to direct content licensing and payment, and ensure content is loaded effectively and efficiently.

The role of Reading as the lead district is to submit the application and distribute the allocated funds to the participating districts. Deer Park, Groveport-Madison, Scioto Valley and Finneytown are the participating districts who will be responsible for implementing the plans within their districts. All five districts in this consortium are responsible for maintaining iLearnOhio classrooms, communicating with their stakeholders, ensuring teachers participate in professional development and allocating the resources appropriately. Consortium members will procure technology devices and establish procedures for dissemination, accountability, and maintenance of the devices. Consortium members will also establish district-wide 1:1 implementation plans to support the organizational and instructional culture shifts associated with a 1:1 technology initiative. The participants in this consortium will work together by sharing best practices and digital content that they develop as part of this program.

18. That the GRANTEE is aware all state funds granted to it are conditioned upon the availability and appropriation of such funds by the Ohio General Assembly. These funds are subject to reduction or elimination by the Ohio General Assembly at any time, even following award and disbursement of funds. Except as otherwise provided by law, the GRANTEE shall hold ODE harmless for any reduction or elimination of state funds granted to it.
