The Ridgemont Demonstration School of Workforce Development Partnership Agreement

SHP Leading Design – Mission: Joyfully enriching the lives of people through service and design.

The *SHP: Leading Design* agrees to partner with the subsequent strategies to contribute to the success of the bold and innovative solutions to advance the goals of Ridgemont Local Schools:

- Provide design of the total \$21 million commitment to resources and lab space to assist with research projects through the design and construction of the *Ridgemont Demonstration School of Workforce Development*
- Serve as an authentic audience for project based and service learning projects
- Connect for virtual field trips to provide authentic experiences for youth throughout construction of the *Ridgemont Demonstration School of Workforce Development*
- Serve as a guest speaker, virtually with technology or in person when possible
- Provide authentic content for real-world learning projects for teachers and students throughout the construction of the *Ridgemont Demonstration School of Workforce Development*
- Enhance curricular connections through the collaboration with compatible partners that currently exist with *SHP: Leading Design*

Ridgemont Local Schools agrees to reciprocate the succeeding strategies to provide a mutually beneficial partnership:

- Provide youth authentic opportunities to create skills to be prepared for the workforce
- Engage youth and staff in regular relations with curriculum areas that tie to cross curricular initiatives to workforce development
- Reform curriculum to ensure every youth engages in project based learning with a workforce connection that prepares youth for leadership roles, as well as career and college readiness
- Bring local and global workforce needs to the forefront of *Ridgemont's* educational initiatives
- Integrate real world connections into every classroom K-12
- Build students who have cultivated relationships with business and industry professionals prior to graduation
- Provide regular updates in workforce development strides made by students and staff
- Include partnership information and updates in newsletters, newspapers, school webpages, etc.
- Become a tour facility for student centered learning environments
- Partner in internal and external collaboration to conduct professional workshops or presentations to demonstrate "Best Practices."
