

**Consortium and Partnership Agreement /
Memorandum of Understanding
“Smart Fuel for Schools” – A Compressed Natural Gas Solution**

ARTICLE I: PURPOSE AND AUTHORITIES

This Consortium and Partnership Agreement/Memorandum of Understanding (“MOU”) is made and entered into between entities that are signatories hereto. Those entities are: Seneca East Local Schools (“Seneca”); Tiffin City Schools (“Tiffin”); the Vanguard–Sentinel Career and Technology Center (“Vanguard”); Seneca County Board of Developmental Disabilities (“DD”); and North Central Ohio Educational Service Center (“NCOESC”); and will collectively be known as the “Consortium”.

The purpose of this Memorandum is to outline the duties and to provide for mutual assistance among the signatories entering into this MOU in managing their participation in the Compressed Natural Gas Solution (“CNG Solution”). The Authorized Representative of a signatory government may request assistance from another signatory entity by contacting the Authorized Representative of that signatory entity.

ARTICLE II: BACKGROUND

This CNG Solution will deliver long-term, sustainable spending reductions for schools by utilizing significant fuel savings, thereby allowing increased resources to be diverted for the educational program(s) that will directly impact and facilitate enhanced student achievement.

The CNG Solution is unique, replicable, and will generate significant fuel savings, build scalable infrastructure, and attract additional public and private revenue streams that will make the program sustainable and fund expansion.

The Consortium is in the process of seeking Straight A Fund Grant (“Grant”) resources that will fund CNG buses, fueling stations, and vocational curriculum development that will support the maintenance and repairs for new CNG vehicles.

If the Consortium is successful in obtaining the requested Grant funds, the CNG Solution will directly impact more than 5,000 students.

ARTICLE III: GENERAL IMPLEMENTATION

Each party entering into this MOU recognizes that ongoing participation and coordination is essential to fulfill grant obligations and to ensure the effectiveness of the CNG Solution.

Accordingly, each signatory to this MOU shall:

1. Be knowledgeable about the consortium's Straight A Fund grant proposal and application, including advocacy of the Straight A Fund program.
2. Sign and accept the Straight A Program Grant Assurances.
3. Maintain familiarity with the consortium's members and services to enhance the proposal, including specific goals and practices.
4. Demonstrate a commitment to clear roles and responsibilities of each consortium member as it relates to the grant proposal and application.
5. Sustain consistent communication among consortium members and stakeholders with a shared vision of the goals of the grant proposal. This includes participating in regularly scheduled meetings for project management and identifying areas for improvement.
6. Ensure consortium members have appropriate access to data for purposes of grant program improvement and evaluation in accordance with state and federal law.
7. Develop a clear project management plan to sustain the grant project over time.

Specifically, in order to ensure the implementation and continuing adherence to the responsibilities set forth above, each signatory to this MOU agrees to designate an official empowered to participate in monthly project management meetings, to receive and respond to ongoing updates from the NCOESC, and to develop and participate in any communication plan necessary to meeting the signatories' obligations contained herein.

Each signatory to this MOU shall designate a representative to administer the sustainability grant program, which shall be responsible [for prescribing] eligibility requirements and [determining] award amounts.

ARTICLE VIII: LIABILITY/INDEMNIFICATION

All services performed and expenditures made under this MOU shall be deemed for public and governmental purposes. No party, their employees, volunteers and/or agents, that respond to the request from another party pursuant to this MOU shall be liable on account of any act or omission in good faith on the part of such party while so engaged, or on account of the maintenance or use of any equipment or supplies in connection therewith, to the extent such immunity is enjoyed by officers and employees of the jurisdiction in which they are assisting. In the case of officers or employees, good faith in this Article shall not include willful misconduct, malicious or gross negligence, recklessness or omissions. Consistent with state laws and regulations, the GRANTEE assures, if awarded a grant:

1. That the GRANTEE will accept funds in accordance with applicable state statutes, regulations, program plans, and applications, and administer the programs in compliance with all provisions of such statutes, regulations, applications, policies and amendments thereto.
2. That the control of funds provided to the GRANTEE under the Straight A Program and title to property acquired with those funds will be in a designated eligible recipient and that a designated eligible recipient will administer those funds and property.
3. That the GRANTEE has the necessary legal authority to apply for and receive the proposed grant and enter into the contract.
4. That the GRANTEE will cause to be performed the required financial and compliance audits in accordance with the Ohio Revised Code Section 117.11 utilizing generally accepted accounting principles (GAAP). That the GRANTEE will furthermore utilize competitive bidding practices in compliance with applicable procurement regulations.
5. That the GRANTEE will make reports to ODE and to the Governing Board as may reasonably be necessary to enable ODE and the Governing Board to perform their duties. The reports shall be completed and submitted in accordance with the standards and procedures designated by ODE and/or the Governing Board and shall be supported by appropriate documentation.
6. That the GRANTEE will maintain records, and provide access to those records as ODE or the Governing Board and authorized representatives in the conduct of audits authorized by state statute. This cooperation includes access without unreasonable restrictions to its records and personnel for the purpose of obtaining relevant information.
7. That the GRANTEE will provide reasonable opportunities for participation by teachers, parents, and other interested agencies, organizations and individuals in the planning for and operation of the program, as may be necessary according to statute.

8. That any application, evaluation, periodic program plan or report relating to the Straight A Program will be made readily available to parents and to other members of the general public.
9. That in the case of any project involving construction, the project is not inconsistent with overall State plans for the construction of school facilities, if applicable; and in developing plans for construction, due consideration will be given to excellence of architecture and design and to compliance with standards prescribed under Section 504 of the Rehabilitation Act of 1973, in order to ensure that facilities constructed with state funds are accessible to and usable by handicapped individuals.
10. That no person shall, on the ground of race, color, national origin, handicap or sex be excluded from participation, be denied the benefits or be otherwise subjected to discrimination under any program or activity for which the GRANTEE receives state financial assistance.
11. That the GRANTEE may not use its state funding to pay for any of the following:
 - A. Religious worship, instruction or proselytization.
 - B. Equipment or supplies to be used for any of the activities specified in paragraph 11A, herein.
 - C. Construction, remodeling, repair, operation or maintenance of any facility or part of a facility to be used for any of the activities specified in paragraph 11A, herein.
12. That the GRANTEE shall continue its coordination with ODE during the length of the project period.
13. The GRANTEE shall cooperate in any evaluation by ODE or the Governing Board.
14. That the GRANTEE will comply with all relevant laws relating to privacy and protection of individual rights including 34 C.F.R. Part 99 (Family Educational Rights and Privacy Act of 1974).

 - D. The share of that total cost provided from other sources.

17. That in the event of a sustained audit exception, and upon demand of ODE, the GRANTEE shall immediately reimburse ODE for that portion of the audit exception attributable under the audit to the GRANTEE. The GRANTEE agrees to hold ODE harmless for any audit exception arising from the GRANTEE's failure to comply with applicable regulations.
18. That the GRANTEE is aware all state funds granted to it are conditioned upon the availability and appropriation of such funds by the Ohio General Assembly. These funds are subject to reduction or elimination by the Ohio General Assembly at any time, even following award and disbursement of funds. Except as otherwise provided by law, the GRANTEE shall hold ODE harmless for any reduction or elimination of state funds granted to it. In the event of non-appropriation or reduction of appropriation and notice, the GRANTEE shall immediately cease further expenditures under the Straight A Program.

23. That the GRANTEE will obligate funds within the approved project period as set forth in the approved application and will liquidate said obligations not later than 90 days after the end of the project period for the grant.

This assurance is given in consideration of and for the purpose of obtaining any and all grants, loans, contracts, property, discounts or other financial assistance extended after the date hereof to the GRANTEE by the Straight A Program Governing Board, through ODE, including installment payments, after such date on account of applications for financial assistance which were approved before such date.
