Dr. Richard Ross,
Ohio Department of Education

Dear Dr. Ross,

As the ITC for the Tri-County Career Center, we have worked very closely with them in providing technology and cooperative purchasing services since our inception 40+ years ago. The Tri-County Career Center has always provided exceptional training and educational opportunities to the boys and girls of Southeastern Ohio.

With additional funds from the Straight A Fund Grant, I believe the Tri-County Career Center will be able to further provide new and up-to-date technology to our local area students. Please consider the Tri-County Career Center for this important grant.

If you would like any additional information or comments, please feel free to contact me.

Sincerely,

Jimmy W. Battrell
CEO, SEOVEC
