Dear Dr. Ross and the Governing Board,

On behalf of Cardinal Mooney High School, I am writing to acknowledge our support and our desire to partner with the Mahoning County Career and Technical Center in the "Mahoning Valley Regional Educator Talent Cloud" project.

Cardinal Mooney High School (052787) is a non-public parochial high school serving 500 students. Established in 1956, Cardinal Mooney High School has been proactively serving and engaging students from the Mahoning Valley in all the core subjects as mandated by the State of Ohio. We also require and provide a God-centered setting for our students who come from inner city Youngstown and the surrounding area.

Cardinal Mooney High School employs highly qualified, state certified teachers, assesses student achievement using public school assessments, and uses educational technology to the fullest in and outside the classroom.

We are thrilled and honored to partner with Mahoning County Career and technical center on this fine project. We believe that extending access to technology and blended learning opportunities to as many students as possible in the Mahoning Valley is critical to ensuring that all of the students we serve are fully prepared for the world with 21st century skills. This creative, innovative and timely project will help us to continue to fulfill our vision and mission.

Sincerely,

A handwritten signature in black ink that reads "John Young". The signature is stylized and fluid, with a long, sweeping underline that extends to the right.
