To Whom it May Concern:

The Marietta Area Chamber of Commerce is pleased to initiate a supporting relationship with Building Bridges to Careers under the Straight A Grant Program. This grant is very valuable to the continuing efforts that Building Bridges to Careers is making to ensure that students in Washington County are provided opportunities to be exposed to the wide variety of career options available to them in our area.

The Marietta Area Chamber of Commerce will commit to the Straight A Grant by assisting in the development of youth programs that will entice and embrace our local youth's entrepreneurial spirit, leadership and accountability. The Marietta Area Chamber of Commerce will also provide support in finding new and existing businesses that are in need of a business location and can utilize the Epicenter as well as support the mission of BB2C.

Marietta Area Chamber of Commerce is pleased to continue to develop a relationship that is beneficial to our organization and to Building Bridges to Careers.

Sincerely,

Carrie Ankrom
