Chairperson
Straight A Fund Governing Board
25 South Front Street
Columbus, Ohio 43215

Dear Mr. Fischer,

Fulton County Health Center has actively pursued several actions to recruit new employees to fulfill our customers' demands. We are pleased that the Ohio Department of Education has launched a creative program that can create partnerships between education and private business called the Straight A Fund.

In today's labor market, it is imperative that businesses and educational institutions partner to enhance the education of young students and provide them with skills that will remain in high-demand during their professional careers and that are transferable. Fulton County Health Center supports the efforts that will be put forth in this grant opportunity and is supportive of efforts to enhance the skills of students across the state as it relates to providing them with knowledge and experiences that will enhance their workplace skills and productivity.

Sincerely,

Patricia A. Finn
