

## **Career Day**

Attached is the description of the Manufacturing Day (October 2015) a combined effort of the Wooster Chamber of Commerce, the Orrville Chamber of Commerce, and the WIN (Workforce Innovative Network) of the Wayne County Economic Development Council.

This is currently held in the fall. Plans are to enhance the Manufacturing Day and design another focus day e.g. Health Care Day so that there will be one in the fall and one in the spring.

Highlighting local industries and businesses in Career Day, is a way of tying the Career Connections Program to the local workforce, and demonstrating to students that there are many career opportunities here in northeast Ohio.

# PLANS FOR MANUFACTURING DAY IN WAYNE COUNTY

*On 31 Aug, 2015 By Orrville Chamber*

## Plans For 2nd Annual Manufacturing Day In Wayne County, OH Are Underway

National Manufacturing (MFG) DAY addresses common misperceptions about manufacturing by giving manufacturers an opportunity to open their doors and show, in a coordinated effort, what manufacturing is — and what it isn't. By working together during and after MFG DAY, manufacturers will begin to address the skilled labor shortage they face, connect with future generations, take

charge of the public image of manufacturing, and ensure the ongoing prosperity of the whole industry.

A collaboration between Orrville Area Chamber of Commerce, Wooster Area Chamber of Commerce and the Wayne Innovation Network (WIN), National Mfg Day in Wayne County will connect more than 350 students from 12 school districts with 12 local manufacturers. The day will open with a kick off session at Shisler Conference Center, include tours of 2 different manufacturing facilities, with a break for "Talking Shop."

The rallying point for a growing mass movement, MFG DAY empowers manufacturers to come together to address their collective challenges so they can help their communities and future generations thrive.
